ENCLOSED IS AN UPDATED SHELL VACATIONS CLUB EXCHANGE DISCLOSURE STATEMENT WHICH IS
REQUIRED TO BE DISTRIBUTED ANNUALLY IN ACCORDANCE WITH APPLICABLE STATE LAWS.

SHELL VACATIONS CLUB
POINTING THE WAY®

EXCHANGE DISCLOSURE STATEMENT

1. **INTRODUCTION.** Welcome to the Shell Vacations Club. We have designed the club to provide flexibility in meeting your vacation needs as they expand and evolve in years to come. The club links a growing network of Shell resorts in great destinations through a central reservation system. This gives you and other club members a variety of vacation opportunities. In addition, the club also provides extra vacation opportunities at thousands of resorts around the world through links with other exchange companies.
2. **WHO OWNS THE CLUB?** Shell Vacations Club, L. P., an Illinois limited partnership (“Shell Vacations”) owns and operates the club. Its address is 40 Skokie Boulevard, Suite 350, Northbrook, Illinois 60062. Its telephone number is (877) 743-5510. Its sole general partner is Shell Holdings, Inc., a Delaware corporation. Shell Holdings, Inc. is also the sole general partner of SVC - Hawaii, L.P., the developer of Shell Owners Club - Hawaii time share plan, the sole general partner of SVC-West, L.P., the developer of Shell Owners Club – West time share plan, as well as the sole general partner of SVC-Americana, L.P., the developer of the Shell Owners Club – Americana. Shell Vacations is also an affiliate of the developers of the other various Shell Owners Clubs. The director of Shell Holdings, Inc. is Sheldon H. Ginsburg (who is also the Chairman and Vice-President of the company). Other key officers include Tracy L. Sherles (President) and Daniel B. Glickstein (Secretary). The company has various other officers not listed here.
3. **WHAT IS THE CLUB?** The club is not a corporation or other legal entity. It is a service business operated by Shell Vacations. These services include:
 - (a) A reservation and exchange system. This lets club members reserve units in their home club or in other resorts available through the club.
 - (b) Access to one or more external exchange programs. External exchange programs give club members access to hundreds or thousands of resorts around the world that are not part of the club.
 - (c) Other vacation, travel, entertainment, or other benefits that Shell Vacations may choose to offer to club members from time to time. For example, Shell Vacations currently offers car rentals, air travel, and other benefits to club members.
4. **HOW DOES THE CLUB WORK?** The reservation and exchange procedures are described in the Club Rules. The current Club Rules are attached to this disclosure statement (or appear under the tab named “Club Rules” in your Shell Vacations Club binder), and you should read them. They explain the manner in which the club operates, and are an important part of this disclosure statement. Key words and phrases defined in the Club Rules have the same meaning in this disclosure statement.
5. **WHO IS A MEMBER OF THE CLUB?** Everyone who is a member of a Shell Owners Club automatically becomes a member of the Shell Vacations Club and must remain so for so long as he or she owns a membership in a Shell Owners Club. If your membership in a Shell Owners Club ends, then your membership in the Shell Vacations Club will also end automatically. If a membership is owned by more than one person, they will all be members of the Shell Vacations Club. You cannot separate your Shell Vacations Club membership from your membership in your Home Club.

Someone who owns a vacation interest in a vacation plan that is not a Shell Owners Club can also join the Shell Vacations Club. These people become “direct members” or “trial members” by signing a membership agreement with Shell Vacations. They participate on a voluntary basis. If you are a direct member or a trial member, consult your membership agreement for details on when your club membership begins and ends.
6. **PARTICIPATION IN THE CLUB.** During the home plan reservation period and the home club reservation period, Shell Vacations acts as the “club operator” by processing reservation requests made by members who ask to use units in their home club. All requests for reservations in your home club must be made through Shell Vacations as the club operator.

During the club reservation period and the late opportunity reservation period, the club operates as an exchange program. The club is different, however, from external exchange programs. In external exchange programs, the use rights for a vacation interest are deposited in the exchange system only if the owner of that vacation interest decides to do so or if the plan operator does so for them. But in the club, if a use night is not reserved by the start of the club reservation period, and if nobody has the exclusive right to reserve it, then any club member may reserve that use night. You could say that the use night is automatically “deposited” in the club’s exchange system for use by all club members, not just the members of a particular home club.

There may be different rules for direct members and trial members. Essentially, direct members swap their use rights for points in the club at the time they enter a direct membership agreement.

7. **ARE ALL RESORTS MORE OR LESS THE SAME?** The units and resorts available through the club may differ significantly from each other. For example, the units may have different furnishings and they may vary in size, design, location, layout, view, and so on. The amenities and other features may also differ significantly among resorts. For example, while a resort in Hawaii might be located on the ocean, a resort in Arizona clearly will not. In addition, the amount of points needed to reserve various units within the same resort can vary significantly. Attached as Exhibit A is the current point values of the different units and resorts, which are subject to change by Shell Vacations.
8. **WHAT ARE THE CURRENT CLUB FEES?** These are the club fees in effect as of December 1, 2010. The Club Rules give Shell Vacations the right to change the club fees from time to time. All amounts are U.S. dollars and must be paid to Shell Vacations.

9. **WHAT IS THE EXTENT OF SHELL VACATIONS' LIABILITY TO MEMBERS?** Shell Vacations' liability to a club member is limited to the amount of the fees paid to Shell Vacations by that club member. Shell Vacations is not liable to anyone who has not paid any fees to Shell Vacations.
10. **WHAT IS A CLUB MEMBER'S RESPONSIBILITY FOR DAMAGE TO THE VACATION PROPERTY?** If a club member or the member's guest damages the vacation property, the unit furnishings, or any part of a resort, then the club member and his or her guests are all responsible for the damage.
11. **WHAT IS THE SVC COLLECTIONS PROGRAM?** The Shell Vacations Club (SVC) Collections Program ("SVC Collections") is designed to provide club members the opportunity to redeem their club points for various vacation-related benefits, including air travel, car rentals, lodging, activity cards redeemable at hotels, golf courses, movie theatres and restaurants or other leisure activities included in the program from time to time. SVC Collections are optional benefits. They are currently available to club members but participation is voluntary. These are special vacation opportunities or benefits offered and may change from time to time. As of December 1, 2010, SVC Collections includes four main categories of benefits: the SVC Travel Program (which includes SVC *at Sea*,[®] SVC *by Air* and SVC *by Land*), the SVC PlayDeck Program, Hotel Stays and other vacation-related activities, which are described further below. To check on the availability of these and other SVC Collections, call 1-877-SHELL-10. The restrictions for the SVC Collections program are described below. Certain benefits of the SVC Travel Program are reserved through InConcert Travel, LLC, a travel agency used by Shell Vacations.
12. **ARE THERE RESTRICTIONS ON THE SVC COLLECTIONS PROGRAM?** Yes. Restrictions apply in certain cases. For example, the following restrictions were in effect as of December 1, 2010. These restrictions may change from time to time so be sure to check with a vacation counselor when making your vacation plans.
- (a) **SVC *by Air* PROGRAM.** SVC *by Air* can be used for either one way or round trip scheduled tickets as disclosed in Question 13 below. The ticket will be non-refundable, non-changeable coach class airline ticket based on the point chart. Additional costs, such as overnight delivery, are at the member's expense. Tickets must be booked at least 21 days in advance and the trip must include a Saturday night stay. Interim stopovers of more than four hours and en route stopovers (except to make direct connections are not allowed). Tickets may be purchased in any designated individual's name, but must be redeemed by the member or an authorized user on the account. Tickets will be sent to member's billing address. Traveling dates are at the member's discretion, subject to availability. SVC may limit reservations to certain airline carriers included in the SVC *by Air* Program, which may change from time to time. Reservations exclude the use of charters, wholesalers or consolidators. If for any particular reason the rates exceed the SVC maximum, the member is required to pay the difference.
- (b) **SVC *by Land* PROGRAM.** SVC *by Land* offers reservations with participating car rental companies, which may change from time to time. The member is responsible at the time the rented vehicle is returned for all additional rental days, any and all taxes, and any other charges not included in the reservation, including but not limited to insurance, upgrades, gasoline and added drivers. This rental is valid for one driver only. Any damages related to the rental are the responsibility of the member or renter. All car point reservations are subject to the following cancellation policy: 61 or more days prior to rental – full point refund, 15-60 days prior to rental – 80% of points refunded, and cancellations 14 days or less prior to rental – no refund. Renters must provide a credit card at the time of pick up. Driver must present a valid driver's license that has been held at least one year prior to rental. Driver must be 25 years or older to rent and drive vehicle. Vehicles may be rented at participating locations worldwide, in accordance with the terms and conditions of the car rental company policy. All reservations require advance booking of at least 24 hours prior to pickup.
- (c) **SVC *at Sea*[®] PROGRAM.** It is recommended that reservations be made at least 90 days prior to the sailing date. All applicable taxes and fees (including and without imitations, port charges, custom fees, and taxes) are the responsibility of the passenger at time of cruise confirmation. Members are responsible for ensuring they have proper documentation required for entry into the destinations of choice. Travelers must have a valid passport, visa or proof of citizenship (as required for the countries you are visiting) at the time of your reservation. Traveler must be 21 years of age or older. Guests under the age of 21 must be accompanied in the same stateroom by a parent, relative or guardian 25 year of age or older. All cruise reservations are subject to the cancellation policy of the specific cruise line, but generally are as follows: 90+ days in advance – Full refund of points; 90-31 days in advance – 50% refund of points; 30 days or less – no refund of points.
- (d) **SVC PLAYDECK CARDS.** Currently, there are seven types of SVC PlayDeck cards: the Movie card, Dining card, Golf card, the Hotel Card, the Book card, the Ski card, and the Theme Park card. Each of these cards may be used at specific vendors tied to the nature of the card. The Movie card is limited to use for purchasing tickets and concessions at movie theatres where the American Express card is accepted. The Golf Card is limited to use for green fees, and club and/or cart rentals at golf courses where the American Express card is accepted. The Dining card is limited to use for dining at restaurants where the American Express card is accepted, excluding fast food restaurants. The Hotel card is limited to use at hotels where the American Express card is accepted. The Book Card is limited to use at retail book stores (online bookstore and university/college bookstore purchases are excluded). The Ski Card is limited to use for purchase of lift tickets and applicable winter sports at select merchants (Purchases at sporting goods stores are excluded). The Theme Park Card is limited to use for the purchase of admission tickets at the front gate of theme parks (Online purchases, food and beverage purchases are excluded). The Dining, Golf, Movie, Book, Ski and Theme Park cards can only be used in the United States, Mexico, and Canada where the Hotel card can be used anywhere worldwide where the American Express card is accepted. The Hotel card may not be used to make reservations or at time of check-in and should only be used at check-out as most hotels require a credit card to hold for potential incidental expenses. When authorizing cards at restaurants, restaurants often authorize an additional 20% to be added for gratuity, so when using the Dining Cards at restaurants, members should keep this in mind and ensure there is a sufficient balance on the card to cover this gratuity amount. The Golf card may not be used for miniature golf courses or for food and beverages. The Movie card may not be used for online ticket purchases. Each of the Cards has a "valid thru" date by which date the Card must be used, subject to applicable law. Other restrictions apply on the SVC PlayDeck cards and are included on the terms of use included with the card when shipped or may be viewed at the following website: <http://www.pointspot.com/Index.aspx?SiteName=SVC> or by calling 1-877-SHELL-10. The SVC PlayDeck program replaces many of the benefits formerly in the SVC Rewards program. The SVC Rewards Program was terminated on June 1, 2006.

(e) **GENERAL SVC COLLECTIONS RESTRICTIONS.** Shell Vacations, in its sole discretion, may change, restrict, or even discontinue all or any part of the SVC Collections program, including the SVC Travel and SVC PlayDeck Programs, or other optional benefits programs at any time and without notice. This specifically includes the right to restrict the offer of some or all optional benefits to only certain club members or classes of club members as determined by Shell Vacations in its sole discretion. In particular, if you sell your membership to someone else, some or all of the optional benefits may not be offered or available to the buyer except as otherwise required by law. Shell Vacations, its affiliates, airlines, hotel partners, car rental companies and the cruise lines do not assume any liability or responsibility for damage, expense, inconvenience, loss, injury, death or damage to person or property at any hotel or on any aircraft/ship/car, or in transit to and from said hotel/aircraft/car/ship, for any cause whatsoever due to delays, cancellations due to nature, mechanical breakdown, strikes, acts of God, acts of terrorism, civil unrest, and/or any other circumstances beyond the control of such parties, causing this offer to become unavailable or cancelled.

Only those club members that are eligible to participate in the SVCLifeStyles program are automatically enrolled in the Select Connections Program, an exchange program which provides opportunities for club members eligible to participate in the SVCLifeStyles Program to exchange through the Select Connections Program to certain participating resorts in the Bluegreen Vacation Club. The Select Connections Program has a separate disclosure guide that governs the Select Connections Program. The facilitator of the Select Connections Program is Select Connections LLC, a Delaware limited liability company and is a separate company from Shell Vacations. Select Connections LLC is only responsible for the representations about its exchange program, and current or future services, contained in the disclosure guide supplied by them and which the developer's salespeople provided to you. Select Connections LLC is not bound by promises made by the developer, Shell Vacations, or the salespeople. Likewise, the developer, Shell Vacations, or the salespeople are not responsible for any promises made by Select Connections LLC.

15. **ARE THERE RESTRICTIONS ON THE SVCLifeStyles PROGRAM?** Yes, only certain members are eligible for the program. Those members that were enrolled in the Shell Vacations Club as of December 31, 2003 all are eligible to participate in the program as are those members who obtained their membership either from the developer (or a developer-approved seller). In addition, if an individual acquires a membership from an immediate family member who was eligible for the SVCLifeStyles program or directly as an heir to an estate of a member who was eligible for the SVCLifeStyles program, such individual will be eligible to participate in the SVCLifeStyles program. To make use of the LifeStyles program, members must pay a five dollar (\$5.00) fee for each SVCLifeStyles transaction they make. In addition, for transactions greater than 500 points, the regular reservation fee outlined in Question 8 above may apply.
- Shell Vacations, in its sole discretion, may change, restrict, or even discontinue all or any part of the SVCLifeStyles program or other optional benefits programs at any time and without notice. This specifically includes the right to further restrict the offer of some or all optional benefits to only certain club members or classes of club members as determined by Shell Vacations in its sole discretion. In particular, if you sell your membership to someone other than an immediate family member after December 31, 2003, the SVCLifeStyles program will not be available to the buyer except as otherwise stated herein or as required by law. **All conversions are eligible for this program.**
16. **WHAT IS THE SVC ELITE® PROGRAM?** The SVC Elite program is an optional benefit that was created for members who own a large amount of points in any of the Shell Owners Clubs. For those members that are eligible, participation is voluntary. Eligible members pay an annual fee and gain access to additional benefits only available through SVC Elite. Such benefits currently include but are not limited to unlimited SVC transactions, unlimited housekeeping, the ability to use club points to participate in the Registry Collection. These benefits may change from time to time. Additionally, the cost of the Annual Club Fee is included in the annual SVC Elite fee for those members opting to join the SVC Elite Program. For questions on the benefits of SVC Elite, please call 1-877-SHELL-10. The eligibility requirements and restrictions on SVC Elite are described further below.
17. **ARE THERE RESTRICTIONS ON THE SVC ELITE PROGRAM?** Yes, only certain points are eligible for the SVC Elite program. All club points owned by members prior to September 1, 2004 are eligible. For points acquired after September 1, 2004, only those points bought from the developer of one of the Shell Owners Clubs (or a developer-approved seller) or eligible points transferred from an immediate family member or transferred directly as part of an estate to an heir will be considered eligible club points for SVC Elite eligibility. Any points acquired after September 1, 2004 from anyone other than the developer will be ineligible, even if later transferred to an immediate family member or an heir. Members that owned 12,000 eligible club points prior to January 1, 2005 are eligible for the SVC Elite program. If a member did not own 12,000 eligible club points prior to January 1, 2005, then a member will need to have 15,000 eligible club points to qualify for participation in SVC Elite. If eligible, a member must pay an annual fee. If the member elects to no longer pay the SVC Elite annual fee, they will still be responsible for the Annual Club Fee. Members must maintain the minimum eligibility requirements at all times to remain an SVC Elite member. The annual SVC Elite fee is currently \$386.00. The annual SVC Elite Fee for SVC Elite members who reside in Japan is currently \$597.00. **All conversions are eligible for this program.**
18. **WHAT IS THE SVC WEEKS FOR DEPOSIT PROGRAM?** Shell Vacations created this program in conjunction with RCI, LLC ("RCI") for SVC members who own timeshare at an RCI Weeks eligible resort and have purchased after June 30, 2008 (points purchased before this date do not count towards eligibility) a cumulative total of at least 1,250 points from the developer of one of the Shell Owners Clubs (or a developer-approved seller). For those members that qualify, they may deposit up to two one-week intervals with RCI and receive points for the intervals deposited based on the chart below. There is no obligation to participate on an annual basis, but in order to participate, the eligible member must purchase and maintain a separate RCI Weeks membership for their eligible intervals (this individual RCI Weeks membership is not included in the club membership). Intervals or timeshare interests in any resorts not affiliated with RCI Weeks, including but not limited to RCI Points affiliated resorts, Shell Vacations affiliated resorts (unless otherwise specified), Interval International affiliated resorts, or other clubs or points-based resorts. If eligible to participate, the member must deposit the interval(s) with RCI a minimum of ten (10) months prior to the check-in date. Weeks previously deposited with RCI cannot be converted to Shell Vacations points. There is a non-refundable deposit fee of \$75 per interval that is deposited with RCI (this fee is valid for all members, including those in the SVC Elite program). Once the interval(s) is/are deposited with RCI, the transaction is final and cannot be cancelled. The depositing of the interval(s) is not considered a transaction in the club, but reservations using the created points will be deemed a transaction and subject to the standard transaction rules. Once the member receives their Shell Vacations points, the created points will be usable during the remainder of the then current use year. Deposits of intervals which occur greater than six (6) months from the end of the current use year will be posted into the current use year. Otherwise, the created points will be posted into the following use year. The created points cannot be banked, borrowed or shared. The created points can be used for Shell Vacations resort reservations (with a 9 month reservation window), SVC Collections reservations (with a 12 month reservation window), and RCI Weeks and RCI Points exchange reservations. The created points cannot be used for SVCLifeStyles reservations. The standard Shell Vacations reservation and cancellation rules apply for reservations made with the created points. All reservations are subject to availability. The SVC Weeks for Deposit Program, including the rules, terms, and point values, is subject to change or termination at any time without notice by Shell Vacations. Memberships and points in the Club acquired through membership transfers are only eligible for the Weeks for Deposit Program if the transfer occurs between immediate family members.

20. AFFILIATION AGREEMENT. The developer and the owners association for each Shell Owners Club must enter into an affiliation agreement with Shell Vacations. The affiliation agreement provides that the program and each home club member will be part of the Shell Vacations Club. A home club will be part of the Shell Vacations Club at all times when there is an affiliation agreement between the home club’s developer, the home club’s Shell Owners Association, and Shell Vacations. The association must perform all of its duties under the affiliation agreement. If it does not do so, Shell Vacations may terminate the affiliation agreement. An association may also terminate its affiliation agreement at any time for cause. An affiliation agreement for a particular Shell Owners Club may also terminate if it expires and the members of the association vote not to renew it. If the affiliation agreement for your Shell Owners Club terminates, your membership in the Shell Vacations Club will also end.

The affiliation agreement with each Shell Owners Club is required to provide that upon termination for any reason, the association of that Shell Owners Club must honor all reservations held by other club members and by exchange users if Shell Vacations confirmed the reservation before that Shell Owners Club’s affiliation agreement terminated. Certain Shell Owners Clubs or direct member resorts located in Canada may have entered into an affiliation agreement with an affiliate of Shell Vacations and not directly with Shell Vacations.

21. RELATIONSHIP TO EXTERNAL EXCHANGE COMPANY. The external exchange company is Resort Condominiums International, LLC, an Indiana limited liability company (“RCI”). You will be a member of RCI. RCI offers two exchange programs: RCI Weeks and RCI Points. As an RCI affiliated member, you will be entitled to use both RCI exchange programs. Shell Vacations is an entirely separate company from RCI. Neither of these companies (Shell Vacations and/or RCI) can make promises for the other. RCI is only responsible for the representations about their exchange program, and current or future services, contained in the written materials supplied by them and which the developer’s salespeople provided to you. RCI is not bound by promises made by the developer, Shell Vacations, or the salespeople. Likewise, the developer, Shell Vacations, or the salespeople are not responsible for any promises made by RCI.

22. **PROMISES ABOUT THE CLUB.** When deciding whether to join the club, you may not rely on promises and representations not contained in this disclosure statement or in other documents published by Shell Vacations. Shell Vacations has not authorized anyone else to make promises binding on it.
23. **APPLICATION OF THE TERMS AND CONDITIONS.** By joining the club, you agree to comply with the terms and conditions of the Shell Vacations Club as described in this disclosure statement and as modified or supplemented by Shell Vacations from time to time or in the home club documents.
24. **CHANGES TO THE EXCHANGE PROGRAM.** Shell Vacations may change the Club Rules in the manner provided in them. Shell Vacations may change any other part of the exchange program, and any benefits offered, at any time without further notice to the members. For example, Shell Vacations may include more property in the club, make new benefits available to members, and so on. Resorts or benefits may also be changed or removed from the program as well.
25. **ANNUAL INFORMATION.** The information in this section is as of June 30, 2010. The number of members enrolled in the Shell Vacations Club as of that date was 75,873. There were eight different timeshare plans affiliated with the Shell Vacations Club, including direct member resorts and Shell Owners Clubs. The number of reservations confirmed at Shell Vacations Club resorts between 7/1/09 and 6/30/10 was 65,247. The number of timeshare or other requests for which Shell Vacations has an outstanding obligation to provide a future reservation was 15,622. The percentage of exchange requests fulfilled as a percentage of properly submitted exchange requests, including exchange alternatives that were offered by Shell Vacations and subsequently accepted by members was 97%. **THE PERCENTAGE OF CONFIRMED EXCHANGES IS A SUMMARY OF THE EXCHANGE REQUESTS ENTERED WITH THE EXCHANGE COMPANY IN THE PERIOD REPORTED. THE PERCENTAGE OF CONFIRMED EXCHANGES DOES NOT INDICATE A MEMBER'S PROBABILITIES OF BEING CONFIRMED TO ANY SPECIFIC CHOICE OR RANGE OF CHOICES, SINCE AVAILABILITY AT INDIVIDUAL LOCATIONS MAY VARY.** The numbers within this section exclude any requests for external exchanges which are included in the Disclosure Statement of the external exchange company.
26. **GOVERNING LAW; NO JURY TRIAL.** ANY LAWSUIT OR LEGAL PROCEEDING RELATING TO THIS DISCLOSURE STATEMENT OR THE CLUB MUST BE FILED AND HEARD ONLY IN A FEDERAL OR STATE COURT LOCATED IN HAWAII AND THE LAWS OF HAWAII WILL BE APPLIED. By becoming a member, you promise to do nothing to deprive the Hawaii courts of jurisdiction or venue. This means that the lawsuit or proceedings will take place in Hawaii and you will not try to have them moved elsewhere. SHELL VACATIONS AND YOU GIVE UP ANY RIGHT TO A JURY TRIAL AND AGREE THAT A JUDGE WILL DECIDE ANY DISPUTE. The winner is entitled to collect its costs and expenses, including attorneys' fees, from the other parties.
